

SWETHA SURESH KUMAR

Junior Developer

Coimbatore, India • swethasureshkumarr@gmail.com • +91- 99448 94197

I am a junior developer from India with almost two years of experience in software development. For the past few years, my primary focus has been frontend programming using JavaScript and Angular, but I'm also skilled at back-end development with Java. Because I started my career as an ITSM developer, I am highly customer-focused and agile.

PROFESSIONAL EXPERIENCE

SIRIUS COMPUTER SOLUTIONS (A CDW COMPANY)

Chennai, India

Consultant Trainee
